

Blood Donation Camp

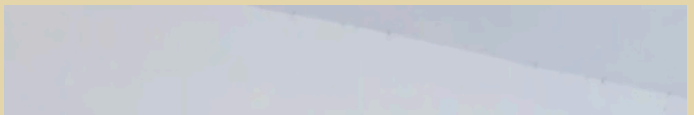

The Rotary Club of Rourkela, in collaboration with the Rotaract Club of NIT Rourkela and Hariomjagyaseni, organized a Blood Donation Drive on 1st November 2025 at IGH, Rourkela. The event witnessed enthusiastic participation from donors, volunteers, and doctors, united by a shared spirit of compassion. Each drop donated symbolized hope and humanity, making the initiative a heartfelt success.

Raksha Bandhan

On 9th August 2025, the Rotaract Club of NIT Rourkela celebrated Raksha Bandhan by tying rakhis to the true protectors of our community — the campus security guards and Jhirpani Police personnel. What made the celebration even more special were the handcrafted rakhis made by the talented children of the Rourkela School of the Deaf, adding an extra touch of love and warmth to the day.

Post Sapna 4.0

The Rotaract Club of NIT Rourkela organized a Post-SaPNA event on 3rd September 2025 at PM SHRI Govt. High School, NIT Campus, Rourkela. 🌟 Graced by Dr. Sameer Pattnaik, the session focused on promoting menstrual hygiene awareness and encouraging open dialogue to break taboos. With the participation of around 150 students, sanitary pads were distributed as a gesture of care. The event aimed to empower young minds and foster a healthier, stigma-free society.

Sapna 4.0

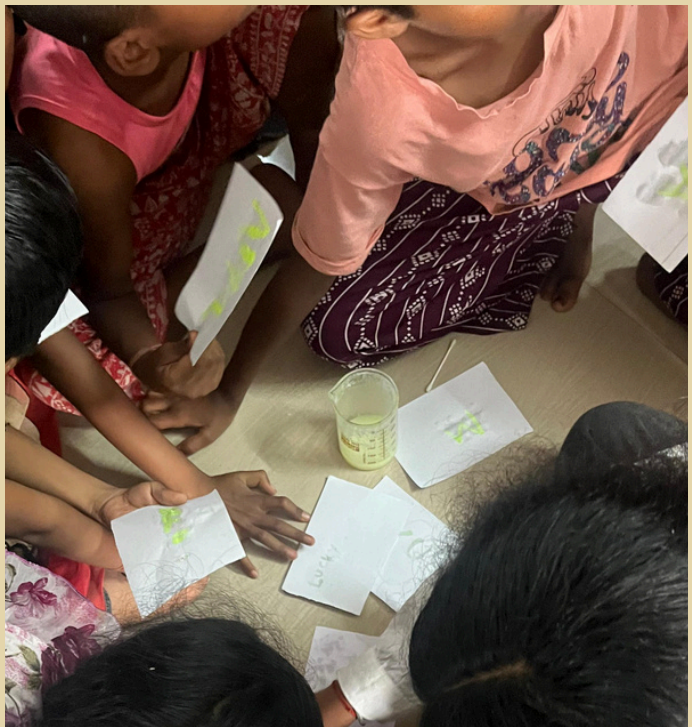

On 30th August 2025, the Rotaract Club of NIT Rourkela, in collaboration with the Rotary Club of Rourkela, hosted SaPNA 4.0 — the 4th edition of its flagship Sanitary Pads & Awareness initiative at Sarkari Balika Ucha Vidyalaya, Lahanda. With over 200 students, 52 Rotaractors, and 4 Rotarians, the event featured awareness sessions, skits, quizzes, and pad distribution, all aimed at breaking menstrual taboos and empowering young minds. A heartfelt thanks to the coordinators and members for making this impactful initiative a true success.

A Visit to Orphanage

On 25th October 2025, Rotaract Club members visited the Service to Humanity Orphanage in collaboration with AIChE, creating a day filled with warmth and learning. Engaging science experiments and fun activities brought smiles and curiosity to the children's faces. Their laughter and excitement reminded us that true joy lies in shared moments of kindness and connection.
